

# Carter Lake Newsletter

Hello Again,

First, I would like to welcome aboard, Ashley Wilson, to the City Council. She was one of the three candidates that offered to fill the vacancy on the City Council. I'm sure she will do a great job! This was a hard decision for the City Council to make. We had three excellent candidates for this position! Thanks to everyone for their input.

Our Library board had a difficult task of advertising, interviewing and choosing a new head Librarian. I know this took a lot of effort and time for all of our volunteers. We have a great group of volunteers on this board! I also want to welcome aboard Shannon Putney as our new Librarian.

Last month at the robotics tournament, our Carter Lake Elementary School won the design award with Super Stingers. They qualified for the VEX Robotics' World Championship. Congratulations to all of our children involved! Great job!

Spring sports are starting back up. This season, we have a huge group of children involved. The sports programs are growing thanks to Kendra Hollenbach, our Parks and Recreation Director. She has brought a lot of passion and drive to this program. The results are indication a true positive impact on our children and our community.

Sincerely, Mayor Ron Cumberledge
