

Carter Lake Newsletter

Dear Residents,

It looks like summer activities and events are coming to an end and it was truly unlike any other. Ordinarily, we go to ballgames, programs and other events, however, for the past four months we have all faced challenges unlike any in our lifetime. Social isolation due to physical distancing has put a strain on our well-being. This has prevented us from enjoying our normal activities and our town's programs. Needless to say, This has been a troubling time for many.

During this time of uncertainty, we committed to do everything we could to minimize impact to our residents and follow Governor Reynolds orders

Now, trying to get back to normal, we have a few events planned at the baseball fields:

Movie night **August 14th at 9 p.m.**

Fireworks **September 6th after sunset**

At Mabrey Park: **Fishing Derby** **Sept 12th starting at 9 a.m.**

I want to say thank you to our residents for your understanding and co-operation during these uncertain times. Things are beginning to change as restrictions are slowly being lifted. Please continue to follow recommended CDC safety practices.

Finally, our community lost one of our greatest assets. Jeannine Poldberg, a very kind and wise woman, who always went above and beyond the call of duty to help our community. I have had many opportunities to learn many good things from visiting with Jeannie over the years; from the early days when I was in elementary school and up to when I ran for this office. Jeannie will be truly missed. My thought and prayers go out to her entire family.

Sincerely, Mayor Ron Cumberledge

Request to Vote from Home

Coming off a record turnout in the primary election in June, Iowans could once again be voting during a health pandemic that may require them to plan ahead to keep themselves and their community safe.

Beginning last week, Iowans can now start requesting to vote by mail. A link to the form can be found here:

<https://sos.iowa.gov/elections/pdf/absenteeballotapp.pdf>. Fill out the vote by mail form, mail it to your county auditor, and a ballot will be sent to your home in early October.

New Food Assistance for Students Impacted by COVID

Some Iowa families will be receiving more food assistance benefits due to the ongoing pandemic, the Iowa Department of Human Services (DHS) announced last week. Households with children in Pre-K through grade 12 who lost access to free and reduced-price meals due to school closures are eligible to receive this extra benefit.

Over 247,000 Iowa children who are eligible to receive the extra \$307.80 in food assistance, and will receive this money in one of two ways:

If the child's household already receives food assistance benefits, their benefits will automatically be added to the household's current EBT card on July 15, 2020.

If the child's family has not previously had access to food assistance, they will receive a new P-EBT card in the mail between July 14-21, 2020.
