

Carter Lake Newsletter

Hello Again,

May brings us to the end of another school year and a long anticipated summer vacation. Congratulations goes out to all the students who are graduating in the next few weeks. We are excited for you and the many adventures that are in your future!

As our City is coming alive with summer right around the corner, all of the City utility projects are coming to a completion. As planned, this was a much needed investment and will serve the community well for many years to come. The Community Center project is moving right along. We are still on schedule for the September opening of the Community Center.

An interesting aspect of our City form of government, which many people may not know, is that as the Mayor, I do not have the ability to vote on any issue that comes before the City Council. I also am not authorized to vote on any action taken by the City Council. One of my main responsibilities is the day to day operations of the City, the management of the employees, and the oversight of projects the City Council have approved. The City Council sets policy, procedure and regulations for the city of Carter Lake.

This year's Parade and Festival is scheduled for July 30th. Make plans to attend with your family and friends. This is a free event and once again, we have added many events this year. This is in attempt to have something for all ages. Come join us and have a great time! It's going to be big event.

Sincerely, Mayor Ron Cumberledge

ANIMAL CONTROL

Here are a few things you need to know to keep your pets safe:

1. Anytime you have animals outside unattended, you need to provide a few things for them. Clean water and an approved shelter must be provided at all times. This is a requirement of the city ordinances, regardless of how long the animal is outside.
2. Your animal can only be outside for 30 minutes if it is on a leash or chain. The only exception to this

ANIMAL CONTROL continued

is if an adult over the age of 19 is outside with the animal or you have a fully fenced yard. Additionally, if you do have an animal on a tie-out, you must make certain that it cannot reach public sidewalks or your neighbor's yard.

3. Remember to pick up your pet waste. Not only is this a health hazard to your animal but it can also be a nuisance to your neighbors. The warmer weather will cause excess pet waste to smell very badly. The first offense could result in a \$500.00 fine.

4. Barking dogs are a common complaint. It is your responsibility as a dog owner to control your dog's actions, especially barking. Barking dogs can be heard for blocks and usually set off a chain reaction of other dogs barking.

5. It is unlawful to leave an animal unattended in a vehicle. Temperatures inside vehicles can easily reach over 100 degrees. This can cause serious health problems and even result in death. Even with the windows cracked and a bowl of water, the temperatures can still be too much for your animal to handle.

Meet the New Carter Lake Library Director

Hello everyone!

My name is Shannon Putney, and I am thrilled to announce that I am the new library director for the Carter Lake Public Library. I have been a librarian for many years. I've spent most of my career working with children and teens as a youth librarian. I love books and am an avid reader. Although these days I study more than I get to read. When I'm not reading or studying, I enjoy spending time with my family and traveling. I love everything library-related and working with the community. Feel free to stop by and say hi.

Fun Facts:

Favorite Book Genres: Mystery, Crime, and Realistic

Favorite Book Quote:

"Remember where you came from honor your roots, but choose to walk your own path no matter the consequences."

Childhood Fact: I didn't enjoy reading.

Odd Fact: I spend a lot of time in the gym powerlifting.

I'M A LIBRARIAN.
LIBRARIANSHIP IS MY RELIGION.
LIBRARIES ARE MY TEMPLE,
AND CATALOG IS MY KEY
WEAPON TO UNLOCK THE
WEALTH OF WISDOM AND
