Those persons charged with enforcing the provisions of this chapter shall have the authority to seize and impound animals pursuant to the provisions of this chapter, and shall have the authority to write and serve enforcement/impoundment fee tickets as provided in this chapter; provided, that the administrative authority and any of his or her assistants may be sworn as officers by the mayor for the purpose of enforcing the provisions of this chapter, and as such, shall have the authority of peace officers, including the authority to issue misdemeanor citations for violations of this chapter.

It shall be the duty of those persons charged with enforcing the provisions of this chapter to impound any animals found running at large in violation of the terms of this chapter. It shall further be the duty of the director or his or her designee to

investigate all animal bites reported to the City, and to impound and quarantine the biting animal as provided in this chapter.

References to the administrative authority contained herein shall be deemed to include his or hers duly appointed designee.

- B. Any conduct in this chapter defined as a misdemeanor may, at the discretion of the city attorney, be handled as a municipal infraction pursuant to the terms of CBMC 1.95.
- C. Each separate occurrence of a violation of a particular section shall constitute a separate and distinct violation. If the violation is of a continuing nature, then each and every day that the violation is allowed to exist shall be deemed a separate and distinct violation.

#### **85.12 General Prohibitions And Duties:**

- A. No person shall aid or cause any animal, whether owned by such person or not, to escape confinement or impoundment, whether such confinement or impoundment be upon such persons' property or that of another, by opening any gate, door, or window, by making an opening in any fence, enclosure, or structure, or by unleashing such animal.
- B. It shall be the duty of every person owning or having the custody or control of an animal to clean up, remove, and dispose of the feces deposited by such animal upon public property, park property, public right-of-way, or the property of another, as provided in paragraph I of this section. Failure to do so shall constitute a misdemeanor.
- C. It shall be the duty of every person owning or having the custody or control of an animal to physically restrain the animal within an enclosure or upon a leash when such animal is left unattended outside. The animal must be restrained so as to prevent the animal from leaving the premises of its owner or from coming in contact with public right-of-way or the property of another. Failure to restrain an animal pursuant to the foregoing shall constitute a misdemeanor.
  - 1. The use of underground electric fencing systems shall satisfy physical restraint so long as the owner is present with his/her dog and assures:
    - a. The underground electric fence system is in working order;
    - b. The dog is trained in accordance with the fencing system;
    - c. The dog is wearing a functional fence collar;
    - d. The property is clearly and prominently marked indicating the existence of the underground electronic fencing system with a minimum of two signs on each side of the property to which the fence is applied.

2. The underground electronic fencing system shall not allow the dog to progress beyond a line parallel to the front of the residential structure. Residential structures on corner lots shall not allow the dog to progress beyond a line parallel to both the front and the side (street side) of the residential structure.
  3. Any dog found to be at-large while being restrained by underground electronic fencing shall no longer be allowed to be restrained in such manner.
  4. Underground electronic fencing is prohibited for:
    - a. Dogs deemed to be dangerous pursuant to these Ordinances;
    - b. Dogs deemed to be a "pit bull" pursuant to Chapter 87 of this Ordinance.
- D. No person owning or having an animal under his or her control or within his or her care or custody, shall permit such animal to create a noise disturbance as defined in these Ordinances "Noise Control," or to bark or make any loud or unusual noises during times which such owner knows or should expect that such noise will disturb one or more neighbors, or otherwise disturb the peace. Kennels, veterinary clinics, animal hospitals, and animal shelters located within properly zoned areas shall be eligible for a variance from this requirement pursuant to the provisions of these Ordinances.
- E. It shall be prohibited for any person in any manner to interfere with any employee or designated representative of the city, so as to hinder, delay, or prevent his or her executing his or her duties in relation to the matters and things contained in this chapter.
- F. It is unlawful for any person owning, controlling, or caring for any animal that has died from any cause to allow the carcass to lie about the owner's premises or upon the premises of another person or upon any public property or right-of-way. It shall be the duty of such person to cause such carcass to be removed and properly disposed of by burying it in an approved animal cemetery, cremating in an approved incinerator, desiccation, removal by a licensed animal disposal company, or by delivering to a licensed veterinarian, or the city animal shelter, within twenty-four (24) hours after the death of the animal. It is unlawful for any person to bury an animal on private premises within the city, or for the owner of any property to allow an animal to be buried thereon, except in time of emergency as declared by the Board of Review when such action is necessary to protect the public health. The owner, possessor and all persons having knowledge of any dead animal in the city shall report the same to the department of public health, giving the name of the person who owned or had possession or control of the animal prior to its death, and the place where the animal may be found. The administrative authority shall immediately notify the person who owned or had

possession and control of such animal to cause the same to be removed and properly disposed of as herein provided.

- G. Regardless of the provisions of paragraph F of this section, it shall be unlawful for any owner or other person to dispose of any dead animal or allow it to be collected for disposal by any person except authorized representatives of the city if such animal has attacked, bitten, or caused a skin abrasion on any person, or if the animal is suspected of being infected with rabies, until permission for disposal has been given by the administrative authority or his or her designee.
- H. It is unlawful for any person owning, controlling or caring for any animal to fail to keep in a clean and sanitary condition the premises and any pen, kennel, shelter, house or the person's dwelling or other structure where the animal is at any time kept. At least once every twenty-four (24) hours or more often if odors or health problems arise, such person shall pick up any and all feces so as to prevent its accumulation and same shall be properly disposed of. Feces shall be held in watertight and fly-tight containers pending disposal and shall be disposed of at least once weekly. Feces shall be disposed of by depositing same in a proper receptacle for disposal as solid waste by a licensed private refuse hauler pursuant to the requirements of these Ordinances. The animal and place where the animal is maintained shall also be kept free of obnoxious odors and shall be maintained so as not to attract or permit the harborage or breeding of flies and other insects or rodents or other vermin. All animal food and water shall be stored and placed for the animal's consumption in such a manner so that it will not become food for rodents and other vermin.
- I. It is unlawful for any owner or other person to abandon, turn loose, or leave any animal within the corporate limits of the city or so that the animal may find its way into the corporate limits of the city, or to abandon or leave any animal upon or in any premises unattended for a period in excess of twenty-four (24) hours.
- J. It is unlawful for any person to willfully allow animals to bite, fight, purposely scare or attack other animals or humans.
- K. No person driving a motor vehicle shall transport any animal in the back of the vehicle in a space intended for any load, including, but not limited to, the cargo bed of a truck or the trunk of an automobile, except an animal may be transported in the cargo bed of a truck if the space is enclosed, or the vehicle has installed means of preventing the animal from being discharged, or the animal is cross tethered to the vehicle, or is protected by a secured container or cage, in a manner which will prevent the animal from being thrown, falling, or jumping from the vehicle. This section shall not apply to the transportation of livestock.

Proper food, drink, shade, shelter, physical maintenance and veterinary care shall require that:

Animals kept outdoors for a period of time exceeding thirty (30) minutes must be provided the following:

Blankets, rags and newspapers are prohibited due to their tendency to hold moisture and freeze.
  - e. The shelter must be placed where it will be adequately shaded in hot weather and protected from the wind in cold weather.

C. Each animal shall receive care and medical treatment for injuries, parasites, and diseases, sufficient to maintain the animal in good health and to minimize suffering.

D. No animals shall be hitched, tied, or fastened by any rope, chain or cord that is directly attached to the animal's neck. Animals that must be tied, hitched or fastened to restrain them must wear a properly fitted collar or harness, not of the choker type, provided that the proper use of choker collars in the training of animals shall not be prohibited. - I. It shall be unlawful for any person to place or confine or allow an animal to be confined in such a manner that it remain in a motor vehicle or trailer under such conditions or for such periods of time as may endanger the health or well-being of the animal due to heat, lack of food or water, or any circumstances which may cause suffering, disability, or death. Any animal control officer or police officer is authorized to use reasonable force to remove the animal from the vehicle whenever it appears that its health is endangered after making reasonable attempt to contact the owner. The animal will be impounded and may be taken to a veterinarian for any care needed and then placed at the animal shelter. A written notice will be left attached to the vehicle with the time, date, location of where the animal is being held and a contact number to call. Any person violating this section shall bear the full cost and expense incurred by the city in the care, medical treatment, and impound, including any repairs to vehicle or removal costs.
- II. It shall be unlawful for any person to abandon any animal within the city. Abandonment shall mean leaving an animal for a period in excess of twenty-four (24) hours without appropriate provisions having been made for the feeding, watering, and care of such animal. If an animal is restrained or confined out of doors without food, water or proper care, the administrative authority or his designee may enter upon any such property where the animal is restrained or

  - A. If said animal is located outside the residence, it shall be removed and impounded at the animal shelter or veterinarian if in imminent danger or further injury may occur. Notification of impound shall be given to the caretaker in person or in writing upon removing said animal.
  - B. If said animal is located outside the residence, but is not in imminent danger or further injury will not occur to the animal, corrective measures may be placed upon the caretaker. Failure to comply with said corrective measures shall result in the animal being removed from the residence and impounded at the animal shelter or veterinarian. Notification of impound shall be given to the caretaker in person or in writing upon removing said animal.
  - C. If said animal is located within the residence, a search warrant shall be obtained to gain legal entry of the residence and said animal shall be removed and impounded at the animal shelter or veterinarian if in imminent danger or further injury may occur. Notification of impound shall be given to the caretaker in person or in writing upon removing said animal.
  - D. If said animal is located within the residence, a search warrant shall be obtained to gain legal entry of the residence. If said animal is found not to be in imminent danger or further injury will not occur to the animal, corrective measures may be placed upon the caretaker. Failure to comply with said corrective measures shall result in the animal being removed from the residence and impounded at the animal shelter or veterinarian upon service of an additional search warrant. Notification of impound shall be given to the caretaker in person or in writing upon removing said animal.

Any person who owns, keeps, harbors, maintains or controls any animal impounded in accordance with this section, shall pay a bond in the amount set forth in the schedule of fees prior to the expiration of five calendar days after the date of impoundment. Such petition shall include the name and address, including mailing address, of the petitioner. The administrative authority will then issue a notice of hearing date by mailing a copy to the petitioner's address no later than ten (10) days prior to the date of the hearing. When no written request from the owner for a hearing is received by the administrative authority within seven days of impoundment, the pit bull shall be humanely destroyed.

The hearing, if any, will be held before the administrative authority or a hearing officer designated by the administrative authority. The appellant-owner of such dog shall bear the burden of proof. Any facts that the petitioner wishes to be considered shall be submitted under oath or affirmation, either in writing or orally at the hearing. The administrative authority or hearing officer shall make a final determination whether the dog is a pit bull as defined in paragraph B,2 of this section. Such final determination shall be considered a final order of the administrative authority subject to review as provided in CBMC 85.132.

If the dog is found to be a pit bull, it shall be humanely destroyed, unless the owner produces evidence deemed sufficient by the administrative authority that the pit bull is to be permanently taken out of Carter Lake, and the owner pays the cost of impoundment. If the dog is found not to be a pit bull, the dog shall be released to the owner.

The procedures in this paragraph shall not apply, and the owner is not entitled to such a hearing with respect to any dog that was impounded as the immediate result of an attack or bite. In those instances, the dog shall be handled, and the procedures governed by the provisions of CBMC 85.120.

**85.120 Keeping Of Vicious Animals Prohibited - Proceedings To Determine - Seizure And/Or Destruction Authorized**

- A. No person shall keep, shelter, or harbor for any reason within the city, a vicious animal as defined herein, except as provided in CBMC 85.130.
- B. Any animal which has attacked or bitten any person without provocation on one occasion, or which has attacked or bitten any domestic animal or fowl on two or more occasions shall be deemed a vicious animal without necessity for hearing by the board of review. This decision may, however, be appealed to the board of review, by presenting a written notice of appeal to the administrative authority within ten (10) days after receiving written notice of said decision. If the decision of the board of review is appealed to the District Court of Iowa, an appeal bond in an amount set forth in the current schedule of fees shall be paid to and held by the animal shelter pending the outcome of the appeal.
- C. The administrative authority, in his or her discretion or upon receipt of a complaint alleging that a particular animal is a vicious animal may, when said animal does not meet the criteria set out in paragraph B of this section, initiate proceedings to declare such animal a vicious animal as defined in CBMC 85.020 Paragraph Y. Said proceeding shall be conducted by the board of review. The person, firm, or corporation owning, keeping, sheltering, or harboring the animal in question shall be given not less than twenty-four (24) hours written notice of the time and place of said hearing. Said notice shall set forth the description of the animal in question, and the basis for the allegation of viciousness, and shall also indicate that if the animal is determined to be vicious, the owner shall have three days to have the animal destroyed and present proof thereof. The notice shall be served upon any adult residing at the premises where the animal is located, or may be posted on the premises if no adult is present to accept service.
- D. If an animal meets the criteria set forth in paragraph B above or, if after hearing, the board determines that an animal is vicious, the administrative authority shall order the person, firm, or corporation owning, sheltering, harboring or keeping the animal to cause it to be destroyed in a humane manner. The order shall immediately be served upon the individual or entity against whom issued in the same manner as the notice of hearing. If the order is not complied with within three days of its issuance, the administrative authority shall cause the animal to be destroyed.
- E. Failure to comply with an order issued pursuant hereto shall constitute a misdemeanor and shall be subject to the penalty provisions of CBMC 8.02.020.
- F. Every order issued pursuant to the provisions of this section shall include a copy of CBMC 85.120.
- G. Any animal found at large which displays vicious tendencies may be processed as a vicious animal pursuant to the foregoing, unless the animal is so vicious that it cannot safely be apprehended, in which case the administrative authority shall immediately destroy it, or unless its ownership is not ascertainable, in which case the administrative authority shall destroy it after three days impoundment.

- H. Any animal which is alleged to be vicious and which is under impoundment or quarantine at the animal shelter or a veterinary facility shall not be released to the owner, but shall continue to be held at the expense of the owner pending the outcome of the hearing.
- I. All costs of such impoundment or quarantine shall be paid by the owner, regardless of whether or not the animal is determined to be vicious.

### **85.128 Seizure/Destruction Of Animal**

Upon declaration of a vicious animal, the owner shall immediately surrender the animal to the animal control division of community development. If the owner refuses to surrender said animal, animal control officers and/or police officers are authorized to seize said animal.

A vicious animal shall be placed in quarantine by the animal control division of community development for a period of ten (10) calendar days. Said quarantine may be at the animal shelter, a veterinarian's office, or other place approved by the administrative authority.

Upon completion of the ten-day quarantine, the administrative authority may order the destruction of said animal.

### **85.130 Exceptions: Guard Dogs**

The prohibition contained in CBMC 85.120 shall not apply to the keeping of guard dogs. However, guard dogs must be kept within a structure or a fenced enclosure at all times, and any guard dog found at large may be processed as a vicious animal pursuant to the provisions of CBMC 85.120. Any premises guarded by a guard dog shall be prominently posted with a sign containing the wording "guard dog," "vicious dog," or words of similar import, and the owner of such premises shall inform the department of health that a guard dog is on duty at the premises.

### **85.132 Administrative Appeal Procedure**

The following process shall apply to the appeal of any actions or declarations of the community development or his/her designee pursuant to this chapter.

Appeal. Any individual or entity desiring to appeal an order issued by the director of community development to the board of review may do so by filing a written notice of appeal with the director of community development within ten (10) days after notification of the director's order. The notice of appeal shall state the grounds for such appeal and shall be delivered personally or by certified mail to the director of community development.

- A. Within ten (10) days of receiving the written notice of appeal, the administrative authority shall set the date for the hearing of the appeal. Said hearing shall be not less than five days nor more than thirty-six (36) days from the date that the hearing date is set.
- B. Notice of the hearing may be personally served on the owner, a duly designated representative, the owner's attorney, or an adult member of the owner's household. Notice may also be served by first-class U.S. mail to the address listed on the notice of appeal at least five days prior to the hearing date.
- C. The hearing on appeal shall be open to the public and conducted informally. The rules of evidence shall not strictly apply.

- D. The city may be represented before the board by the city attorney's office or the director of community development. The owner may represent him or herself or may be represented by an attorney.
- E. The city shall have the burden to prove by a preponderance of the evidence that the action of the administrative authority or his or her designee should be affirmed.
- F. Each party will be given the opportunity to present their side of the matter, including the presentation of witnesses and exhibits. Any exhibits given to the board members to examine shall become part of the permanent record and will not be returned to the party submitting the same. At the conclusion of the parties' presentations, the board may make a determination or may take the matter under advisement. Ultimately, the board of review, by majority vote of those present and voting, may affirm, modify or reverse the determination of the administrative authority.
- G. The proceedings before the board shall be recorded by one of the following methods:  
Electronic audio or video recording, certified court reporter, or extensive notes of the testimony kept by a person designated by the board.
- H. The decision of the board shall be deemed final upon the announcement of the vote of the board at an open meeting of the board. The decision does not have to be reduced to writing, but shall be noted in the minutes of the board's meeting. If the order is reduced to writing, it shall still be deemed to have been the final order of the board at the time of announcement.
- I. The final decision of the board may be appealed in the district court of Iowa in accordance with the provisions of the Iowa Administrative Code. If such an appeal is undertaken, and the animal is being held in the custody of the city, then an appeal bond in the amount set forth in the current schedule of fees shall be paid to and held by the Carter Lake animal control division pending the outcome of the appeal.
- J. Upon finalization of the appeal, the animal control division shall utilize the appeal bond to pay the animal shelter for costs associated with boarding and care of the animal(s) in question. Remaining funds, if any, shall be returned to the owner. The owner shall be responsible for all remaining fees and costs associated with board and keep that is in excess of the amount of the appeal bond.

#### **85.140 General Prohibitions And Duties**

- A. No person shall aid or cause any animal, whether owned by such person or not, to escape confinement or impoundment, whether such confinement or impoundment be upon such persons' property or that of another, by opening any gate, door, or window, by making an opening in any fence, enclosure, or structure, or by unleashing such animal.
- B. It shall be the duty of every person owning or having the custody or control of an animal to clean up, remove, and dispose of the feces deposited by such animal upon public property, park property, public right-of-way, or the property or another, as provided in paragraph I of this section. Failure to do so shall constitute a misdemeanor.
- C. It shall be the duty of every person owning or having the custody or control of an animal to physically restrain the animal within an enclosure or upon a leash when such animal is left unattended outside. The animal must be restrained so as to prevent the animal from leaving the

premises of its owner or from coming in contact with public right-of-way or the property of another. Failure to restrain an animal pursuant to the foregoing shall constitute a misdemeanor.

1. The use of underground electric fencing systems shall satisfy physical restraint so long as the owner is present with his/her dog and assures:
    - a. The underground electric fence system is in working order;
    - b. The dog is trained in accordance with the fencing system;
    - c. The dog is wearing a functional fence collar;
    - d. The property is clearly and prominently marked indicating the existence of the underground electronic fencing system with a minimum of two signs on each side of the property to which the fence is applied.
  2. The underground electronic fencing system shall not allow the dog to progress beyond a line parallel to the front of the residential structure. Residential structures on corner lots shall not allow the dog to progress beyond a line parallel to both the front and the side (street side) of the residential structure.
  3. Any dog found to be at-large while being restrained by underground electronic fencing shall no longer be allowed to be restrained in such manner.
  4. Underground electronic fencing is prohibited for:
    - a. Dogs deemed to be dangerous pursuant to CBMC 85.082 and CBMC 85.084;
    - b. Dogs deemed to be a "pit bull" pursuant to CBMC 85.112.
- D. No person owning or having an animal under his or her control or within his or her care or custody, shall permit such animal to create a noise disturbance as defined in CBMC 4.50 "Noise Control," or to bark or make any loud or unusual noises during times which such owner knows or should expect that such noise will disturb one or more neighbors, or otherwise disturb the peace. Kennels, veterinary clinics, animal hospitals, and animal shelters located within properly zoned areas shall be eligible for a variance from this requirement pursuant to the provisions of CBMC 4.50.070.
- E. It shall be prohibited for any person in any manner to interfere with any employee or designated representative of the city, so as to hinder, delay, or prevent his or her executing his or her duties in relation to the matters and things contained in this chapter.
- F. It is unlawful for any person owning, controlling, or caring for any animal that has died from any cause to allow the carcass to lie about the owner's premises or upon the premises of another person or upon any public property or right-of-way. It shall be the duty of such person to cause such carcass to be removed and properly disposed of by burying it in an approved animal cemetery, cremating in an approved incinerator, desiccation, removal by a licensed animal disposal company, or by delivering to a licensed veterinarian, or the city animal shelter, within twenty-four (24) hours after the death of the animal. It is unlawful for any person to bury an animal on private premises within the city, or for the owner of any property to allow an animal to be buried thereon, except in time of emergency as declared by the Board of Review when such action is necessary to protect the public health. The owner, possessor and all persons having knowledge of any dead animal in the city shall report the same to the department of

public health, giving the name of the person who owned or had possession or control of the animal prior to its death, and the place where the animal may be found. The administrative authority shall immediately notify the person who owned or had possession and control of such animal to cause the same to be removed and properly disposed of as herein provided.

- G. Regardless of the provisions of paragraph F of this section, it shall be unlawful for any owner or other person to dispose of any dead animal or allow it to be collected for disposal by any person except authorized representatives of the city if such animal has attacked, bitten, or caused a skin abrasion on any person, or if the animal is suspected of being infected with rabies, until permission for disposal has been given by the administrative authority or his or her designee.
- H. It is unlawful for any person owning, controlling or caring for any animal to fail to keep in a clean and sanitary condition the premises and any pen, kennel, shelter, house or the person's dwelling or other structure where the animal is at any time kept. At least once every twentyfour (24) hours or more often if odors or health problems arise, such person shall pick up any and all feces so as to prevent its accumulation and same shall be properly disposed of. Feces shall be held in watertight and fly-tight containers pending disposal and shall be disposed of at least once weekly. Feces shall be disposed of by depositing same in a proper receptacle for disposal as solid waste by a licensed private refuse hauler pursuant to the requirements of CBMC 4.12. The animal and place where the animal is maintained shall also be kept free of obnoxious odors and shall be maintained so as not to attract or permit the harborage or breeding of flies and other insects or rodents or other vermin. All animal food and water shall be stored and placed for the animal's consumption in such a manner so that it will not become food for rodents and other vermin.
- I. It is unlawful for any owner or other person to abandon, turn loose, or leave any animal within the corporate limits of the city or so that the animal may find its way into the corporate limits of the city, or to abandon or leave any animal upon or in any premises unattended for a period in excess of twenty-four (24) hours.
- J. It is unlawful for any person to willfully allow animals to bite, fight, purposely scare or attack other animals or humans.
- K. No person driving a motor vehicle shall transport any animal in the back of the vehicle in a space intended for any load, including, but not limited to, the cargo bed of a truck or the trunk of an automobile, except an animal may be transported in the cargo bed of a truck if the space is enclosed, or the vehicle has installed means of preventing the animal from being discharged, or the animal is cross tethered to the vehicle, or is protected by a secured container or cage, in a manner which will prevent the animal from being thrown, falling, or jumping from the vehicle. This section shall not apply to the transportation of livestock.

### **85.150 Fees**

- A. In the event that an animal is observed at large but cannot be captured for impoundment, or in the event its owner refuses to relinquish possession of such animal for impoundment, an enforcement/impoundment fee ticket may be issued to its owner requiring the payment of a fee for the city's cost in attempting to impound the animal and enforce the provisions of CBMC 85.050.

- B. In the event that an animal required to be licensed pursuant to CBMC 85.230 is not licensed, or does not display the license tag as required by CBMC 85.170, an enforcement/impoundment ticket may be issued to its owner requiring the payment of a fee for the city's cost in enforcing said provisions.
- C. In the event that an animal required to be vaccinated for rabies pursuant to CBMC 85.160 is not vaccinated as required, or does not display a rabies vaccination tab as required by CBMC 85.170, an enforcement/impoundment fee ticket may be issued to its owner requiring the payment of a fee for the city's cost in enforcing said provisions.
- D. In the event the owner of an animal has been served a ticket for the payment of the enforcement/impoundment fee and fails to pay the required amount due to the city treasurer within thirty (30) days of the date of issuance of the ticket, the amount of the enforcement/impoundment fee shall double from its original amount, and the individual who issued the enforcement/impoundment fee ticket shall cause a criminal complaint to be filed in the Iowa District Court for a violation of the appropriate section of this chapter. For purposes of this paragraph, an enforcement/impoundment fee ticket may be served by either delivering the ticket personally to the owner, or posting the ticket at the residence of the owner.
- E. The enforcement/impoundment fees shall be as provided in the current schedule of fees adopted by the city council.
- F. The fee for boarding and keeping any animal, for removing a dead animal from any premises, for disposing of a dead animal, for humanely destroying an animal, for taking custody of unwanted animals, for trap rental, or for pest control shall be as provided in the current schedule of fees adopted by the city council.

## **CHAPTER 87 Pit Bulls Prohibited PROPOSED CHANGED TO BE CONSIDERED**

A.It shall be unlawful for any person to own, possess, keep, exercise control over, maintain, harbor, transport, or sell within the city of Carter Lake, Iowa, any pit bull.

B.Definitions. For the purposes of this section:

Owner: Any person who owns, possesses, keeps, exercises control over, maintains, harbors, transports or sells an animal.

Pit bull: Any dog that is an American Pit Bull Terrier, American Staffordshire Terrier, Staffordshire Bull Terrier, or any dog displaying the majority of physical traits of any one or more of the above breeds (more so than any other breed), or any dog exhibiting those distinguishing characteristics which substantially conform to the standards established by the American Kennel Club or United Kennel Club for any of the above breeds. The A.K.C. and U.K.C. standards for the above breeds are on file in the office of the administrative authority.

Muzzled: The jaws of the pit bull are confined by a device that prevents the pit bull from biting.

Secure temporary enclosure: An enclosure used for purposes of transporting a pit bull and which includes a top and bottom permanently attached to the sides except for a "door" for removal of the pit bull. Such enclosure must be constructed so that the pit bull cannot exit the enclosure on its own.

C.Exceptions. Failure by the owner to comply and remain in compliance with any of the terms of any applicable exception shall subject the pit bull to immediate impoundment and disposal pursuant to paragraph E of this section, and shall operate to prevent the owner from asserting such exception as a defense in any prosecution under paragraph A.

- 1\_ The owner of a pit bull currently licensed as of the date of publication of the ordinance codified in this section and who maintains the pit bull at all times in compliance with the requirements of paragraph D of this section and all other applicable requirements of this chapter, may keep a pit bull within the city.
- 2\_ The city animal shelter may temporarily harbor and transport any pitbull for purposes of enforcing the provisions of this chapter.
- 3\_ A licensed veterinarian may temporarily harbor any pit bull for the purpose of care and treatment of the animal.
- 4\_ A person may temporarily transport into and hold in the city a pit bull only for the purpose of showing such pit bull in a place of public exhibition, contest or show sponsored by a dog club association or similar organization. However, the sponsor of the exhibition, contest, or show must receive written permission from the administrative authority, must obtain any other permits or licenses required by city ordinance, and must provide protective measures adequate to prevent pit bulls from escaping or injuring the public at least seven days prior to said exhibition, contest or show. The person who transports and holds a pit bull for showing shall, at all times when the pit bull is being transported within the city to and from the place of exhibition, contest, or show, keep the pit bull confined in a "secure temporary enclosure" as defined in paragraph B,4.

D.The owner of any pit bull, currently licensed as of the date of publication of the ordinance codified in this section, shall be allowed to keep such pit bull within the city only if the owner complies with and provides sufficient evidence that the owner is in compliance with all of the following regulations:

- 1\_ The owner of the pit bull shall keep current the license for such pit bull through annual renewal. Such license is not transferable and shall be renewable only by the holder of the license or by a member of the immediate family of such licensee who is at least eighteen (18) years of age.
- 2\_ The owner of a pit bull must be at least eighteen (18) years of age.
- 3\_ The owner shall present to the administrative authority proof that the owner has procured liability insurance in the amount of at least one hundred thousand dollars (\$100,000.00), covering any damage or injury that may be caused by a pit bull during the duration of its license. The policy shall contain a provision requiring the insurance company to provide written notice to the administrative authority not less than fifteen (15) days prior to any cancellation, termination or expiration of the policy.
- 4\_ The owner shall, at the owner's own expense, have the pit bull spayed or neutered and shall present to the administrative authority written proof from a licensed veterinarian that this sterilization has been performed.
- 5\_ The owner shall bring the pit bull to the Carter Lake Animal Shelter, where a person authorized by the administrative authority shall cause an identifying microchip to be inserted beneath the skin of the pit bull. The administrative authority shall maintain a file containing the registration numbers and names of the pit bulls and the names and

addresses of the owners. The owner shall notify the administrative authority of any change of address.

- 6\_ At all times when a pit bull is at the property of the owner, the owner shall keep the pit bull "confined" as that term is defined in these Ordinances. At all times when a pit bull is away from the property of the owner the owner shall keep the pit bull, either securely leashed with a leash of a fixed length no longer than four feet, and muzzled, or in a "secure temporary enclosure," as that term is defined in paragraph B,4 of this section.
- 7\_ The owner shall not sell or otherwise transfer the pit bull to any person except a member of the owner's immediate family who is at least eighteen (18) years of age, who will then become the owner and will be subject to all of the provisions of this section. The owner shall notify the administrative authority within five days in the event that the pit bull is lost, stolen, dies, or has a litter. In the event of a litter, the owner must deliver the puppies to the animal shelter for destruction or permanently remove the puppies from Carter Lake and provide sufficient evidence of such removal by the time the puppies are weaned, but in no event shall the owner be allowed to keep in Carter Lake a pit bull puppy born after the date of publication of the ordinance codified in this section, that is more than eight weeks old. Any pit bull puppies kept contrary to the provisions of this section are subject to immediate impoundment and disposal pursuant to paragraph E of this section.
- 8\_ The owner shall have posted at each possible entrance to the owner's property where the pit bull is kept, a conspicuous and clearly legible pit bull sign. Such pit bull sign must be at least eight inches by ten (10) inches in rectangular dimensions and shall contain only the words "PIT BULL DOG" in lettering not less than two inches in height.

E. Notwithstanding any provisions to the contrary, the administrative authority is authorized to immediately impound any pit bull found in the city of Carter Lake which does not fall within the exceptions listed in paragraph C above, and the animal shelter may house or dispose of such pit bull in such manner as the administrative authority may deem appropriate, except as the procedures in paragraph F below otherwise require.

F. When the administrative authority has impounded any pit bull dog pursuant to this section, and the owner of such dog disputes the classification of such dog as a pit bull, the owner of such dog may file a written petition with the administrative authority for a hearing concerning such classification no later than seven days after impoundment. Such petition shall include the name and address, including mailing address, of the petitioner. The administrative authority will then issue a notice of hearing date by mailing a copy to the petitioner's address no later than ten (10) days prior to the date of the hearing. When no written request from the owner for a hearing is received by the administrative authority within seven days of impoundment, the pit bull shall be humanely destroyed.

The hearing, if any, will be held before the administrative authority or a hearing officer designated by the administrative authority. The appellant-owner of such dog shall bear the burden of proof. Any facts that the petitioner wishes to be considered shall be submitted under oath or affirmation, either in writing or orally at the hearing. The administrative authority or hearing officer shall make a final determination whether the dog is a pit bull as defined in paragraph B,2 of this section. Such final determination shall be considered a final order of the administrative authority subject to review as provided in these Ordinances.

If the dog is found to be a pit bull, it shall be humanely destroyed, unless the owner produces evidence deemed sufficient by the administrative authority that the pit bull is to be permanently taken out of Carter

Lake, and the owner pays the cost of impoundment. If the dog is found not to be a pit bull, the dog shall be released to the owner.

The procedures in this paragraph shall not apply, and the owner is not entitled to such a hearing with respect to any dog that was impounded as the immediate result of an attack or bite. In those instances, the dog shall be handled, and the procedures governed by the provisions of these Ordinances.
