

Carter Lake Newsletter

Hello again,

The summer is flying by! The community center project is looking good, the library upgrade is close to being completed and will be reopening this month. All the exterior walls and concrete floors have been completed in the gym. The plumbing, electrical and HVAC systems are being installed along with the exterior brick work.

Our community is always in need of volunteers, for the Fire Department, the EMS and to various boards. If you wish to be involved in helping your community, please contact me at City Hall (712) 347-6320.

I just want to send out a huge thank you to everyone for their continued support of our Community Day and Festival!! It was a record breaking year with 80 parade entries and 60 vendors at the park.

The Fire Department hosted the first Rock the Boot concert and had a great turn out. The fireworks show was top notch. A ton of time and energy went into planning, organizing and executing this event. It was truly a team effort and the results were an awesome job!! A big thank you to the following people and departments: Kendra Hollenbach, our Parks and Recreation Coordinator, Nate Bentzinger and the entire Fire Department, Keebie Kessler and the festival board members, Bob McLoud and Ronnie Fisher with the Parks & Maintenance Crew.

Last month I received a call from a citizen wondering if tax abatements were still available for new construction? The answer is yes, you can receive a three year abatement on all new construction anywhere in the city. This is a huge perk for someone desiring to build a new home. Contact City Hall if you have any questions.

Sincerely, Mayor Ron Cumberledge

CARTER LAKE BASEBALL/SOFTBALL

The Carter Lake baseball and softball seasons completed the 2nd week of July, and it was a very successful season. Although the nights get long and the schedules get hectic, the love and passion our kids and coaches have for the game and program outshine the busyness everytime. Each team conquered the goals they set out at the beginning of the season- whether it be team bonding, advancing skills, tournament play or simply just having fun!

*The 12U and 14U coaches stated: "The improvement of these kids as individuals as well as a team is exciting. Our goal this year was to get our boys to play 100% effort 100% of the time. They celebrate each teammate's improvements and triumphs as if they were their own. The goal was to get the kids to want to put in the effort, work hard and be competitive- We couldn't be prouder of their overall performance.

*Coach Payne from 10U said, "if you have been lucky enough to witness this team from the first game until the last game, I know you are as proud as I am at how far they have come. The goals were fundamental advancement and fun and we completely knocked both of those goals out of the park!"

*Coach Shane Hollenbach of the 9U select team says "These kids are great! Most of our kids have the mindset of coming out and wanting to be the best. That paired with hard work and fun carries us a long way. One thing that sets us apart is our team dynamic. Most of the kids on our team play multiple sports together. This allows us to have team chemistry which we believe helps set us apart. For such a young group of boys, they put in a great amount of hard work. This was our first season playing as a select team and these boys completely surpassed all goals and expectations. They placed at every tournament. There are 63 AA teams registered in the state of IA. 40 qualified to register for state. We are SO OVERWHELMINGLY PROUD to say that this team battled, rallied together and played with 100% heart and came out as your STATE OF IOWA AA GOLD BRACKET RUNNER UPS! These kids had to ball out for 6 games in 48 hours. They did so with the best sportsmanship and came out on top! We are eager to get back to work in the off season and see where next season takes us!"

*Some of our softball kids were asked how their season is going. The kids have positive feedback to give about the new coaching and structures. The girls said softball was fun, we were sad to see it end and can't wait for next year!

*T-Ball, blast ball and coach pitch had a fun and successful season as well! Coach Tonya Geraets said "Coaching here has been the best decision we made! The kids listened well, practiced hard and played even harder! I am 100% happy to have been able to coach."

Our rec league ended with our annual American Classic Tournament.

CARTER LAKE 12U: 2nd Place

CARTER LAKE 14U: 3rd Place

The city hosted its first annual awareness event this month as well. Carter Lake baseball hosted a "Strike out pancreatic cancer awareness game." We had all levels playing and representing the cause by wearing purple shirts. Each game the team members honored someone that fought a battle against pancreatic cancer. The family members were honored with recognition during the game, a sign and flowers. Our main event memorial was in recognition of our community member and strong youth supporter Scotty Clark Sr. We are looking forward to continuing this tradition.

**CONGRATULATIONS TO THE FOLLOWING KIDS FOR THEIR STATE
BASEBALL HONORS:**

IOWA ALL-STATE ALL STAR NOMINEES:

Brantley Vosler, David Driggers, Easton Snipes, Elijah Stilen, Jacoby Walker, Jaxton McPeck, Jaxyn Hollenbach, Tripp Sillik, Zaiden Griffe

IOWA MVP NOMINEES: Easton Snipes, Jacoby Walker, Jaxyn Hollenbach

We had over 175 register to participate in our Fall youth programs! Be on the lookout for flag football, tackle football and cheerleading- Come out and support the kids!

*We would also like to give a big shout out to Ronnie and the crew for keeping our Hamilton Complex as well as our city parks the best and most beautiful around! We appreciate you!

Our coaches and programs are devoted to helping develop and grow the youth into respectful and hard working people. At the beginning of the year we adopted a slogan of "CL Jackets give back." We are excited to be able to offer continuous support and care for our community's seniors. Our kids will be donating their time in helping out the senior citizens with around the house work. Please reach out to Kendra Hollenbach for more information!

**CARTER LAKE

Hello Carter Lake!

Construction and renovations are still in full swing here at the library.

Due to so many items in the library that can be a potential danger to our patrons the library will remain closed for now. The last thing we want to do is open before we are ready and have someone get hurt. Instead of giving out another date, we have decided to offer **"a reserve and pick-up service"**. This way we can still be engaged with the community, instead of waiting on a specific date to open. Our hours will remain the same Mon.-Fri. However, we will be closed on Saturdays until our doors can officially open.

Therefore, we have moved back to our overly crowded meeting room at the library for the long haul. We will be able to....**take calls, have access to community passes for check-out, switch old library card users to the new library card, work on the collection as books and materials are delivered, and most importantly serve our patrons even if our doors are not physically open. We will also be working on plans for scheduling deliveries twice a week during this time.**

We have more exciting news!

We have a new librarian, **Chelsea** and a new library specialist, **Meggie** who have joined the library team. Together we have been working hard planning how to give **YOU** an **AMAZING** library experience.

If you have any questions or need anything you can reach us at **circulation@carterlakelibrary.com** or **(712) 347-5492** during our normal business hours and we will be happy to help you! We will continue to keep you updated on the construction through our Facebook Pages - @carterlakelibrary and @CLchildrenslibrary. We can't wait to see you back in the library once more and we are so **EXCITED** to show you all our new changes!

Remember to take advantage of the new card catalog and the other new and **INCREDIBLE** online resources that you'll be able to use from home. You must first switch to the **NEW** library card. When you are ready to make the switch email us at **circulation@carterlakelibrary.com**
