

Carter Lake Newsletter

The City Council adopted a resolution to study and start a water system improvement plan, at the last Council meeting. This includes updating some water mains and the water valves that are currently not working. The new valves will allow us to isolate areas that may need maintained or repaired. At this time, many of the valves are past the date recommended to be replaced. This study will assist the City applying for grants and other funding. This would lessen the burden on the City and the tax payer. We have already identified and secured some possible funding sources for this project. I will keep you informed when the work will begin.

The City Council made a motion at last meeting to upgrade the old wooden playset at Mabrey Park. This project will include a concrete base with a padded mat on top, including, a complete new playset. The work will only be done in the play area. The rest of the park will remain open during this project.

The Community Center will have a soft opening on Sunday, January, 22, from noon to 3:00. This will allow you to walk thru and see what the building has to offer. On Monday, January, 23, the center is open for your enjoyment. Stop in and take a tour with Sandy. This project has taken a ton of effort and planning. Keeping the commitment, the Carter Lake Community Center has something for everyone.

Remember, all City meetings are open to the public. In January, we will be starting the budget process. This is a plan for the next year's City business. We meet with all department heads to find out their needs, look at past department costs and future improvements. It is a long and laborious process to improve and upgrade City services, while maintaining a low tax levy. This process takes a lot of difficult decisions. If you have any concerns, please contact any of the Council Members or myself.

Sincerely, Mayor Ron Cumberledge

UPDATE on Cox Channel 22. The City Council would like to let residents know that recording the council meetings has been sporadic the past few months due to aging, unreliable equipment. The Council has agreed to making the necessary expenditures to upgrade the equipment in the next few months. Until then, bear with us while we make the transition.

THANK YOU

to the citizens of Carter Lake for moving their vehicles during the snow emergency. It made our job much easier, and got our streets much cleaner. Thanks again and have a great new year!

Carter Lake Maintenance Department

On Friday, December 16, 2022, these volunteers joined me at City Hall to pack and deliver food baskets to Carter Lake Seniors who were in need of a little assistance this holiday season. This project is in it's 6th year and it was by far the best year ever!! We delivered to 34 homes and served 48 residents. THANK YOU

SO MUCH to those who donated money, non-perishables or their time and muscles to make this project a success again this holiday season. Thanks to our City Crew for picking up the meat order and hauling it into City Hall.

Total cash donations was over \$3,400 and used to purchase 600 lbs. of fresh meat from Fareway in Council Bluffs; we received more than 1,000 non-perishable food items for distribution.

Thank You and Happy New Year!! Jackie Carl, City Clerk

CLOSINGS

January 2nd- observing New Year's Day

CONSTRUCTION UPDATES

With the construction on the community center wrapping up, **significant renovations** at the library are in the works! CLPL is getting a new circulation desk, updated bathrooms, and the doorway will be replaced with windows to create a quiet nook.

Due to these major construction projects, the library will post updates about possible inconveniences and/or closures. Thank you for being as excited as we are for these changes!
