

# Carter Lake Newsletter

Happy Holidays,

A huge Thank You goes out to all of our First Responders, this year has been very busy and we have such a great group putting in the time and commitment to help keep our community stay safe. Last month I visited with all of the Cities in Pottawattamie County and this was one of the main topics not having enough first responders or surrounding cities mutual aid and this is a big challenge for most communities. We are one of only two Cities in the county that have their own Police, We have a department of 10 paid officers and 4 reserves that volunteer, our Fire and Rescue has one paid coordinator and all of the rest are volunteer we do offer a pay per call to help retain members another one of our resources is the City of Omaha today we have a great relationship and they are a huge asset when called for emergency services this is my number one goal public safety.

The community center is very close to being completed. We will be announcing an opening in the near future!! Just a few more finishes and we will be moving in and setting up Sandy and her crew will be putting in the final touches so stay tuned for that date and time.

***Merry Christmas, Mayor Ron Cumberledge***
