

# Carter Lake Newsletter

Hello!!

We have listened to feedback from many of the Community Center users on how to develop the Community Center for one and all. Therefore, the fitness center is now accessible, 24 hours a day, seven days a week, for all members. We have adjusted the age requirements for use of the fitness center to 16 years of age and older. Young people from age 14 and 15 years old can access the fitness center with a parent or guardian.

The CLCC has started more programs for all ages. Stop in and take advantage of what the center has to offer you and your family. Please keep providing feedback. This is a great way for all of us to grow and recognize what the citizens need to make a successful program.

The City has extended the free resident memberships until July 01, 2023, so everyone may have an opportunity to have a trial run before the charges begin in July.

Let's all do our part to keep our community clean and safe. Our cleanup day is right around the corner. We offer this every spring and fall. It is a great thing to take advantage of. Just place those unwanted items on the curb for a May 6th pickup.

This year's street improvement plan has begun. You can see the crosswalks on Locust Street are being replaced and next will be more concrete street repairs at 13<sup>th</sup> and Willow also running down 9th Street with some panel replacement.

Thank you and Happy Easter, Mayor Ron Cumberledge
