

Carter Lake Newsletter

Hello,

Our City has a huge group of volunteers that work hard every day to keep the City of Carter Lake the great little community that we all live in. I personally want to thank everyone for all the time and effort you make. It indicates we have proud residents which give back generously. Recently, some positions on boards have become available. If you have any interest in joining our team and serving your community, please reach out to City Hall at 712-347-6320.

The spring time weather and the outdoor activities that come with it are here. Our park's grounds crew: Ronnie, Charlie and Bruce are out every day keeping our parks in tip top shape. The three of them perform above and beyond to keep our many public recreation areas and the city's buildings looking clean and esthetically pleasing to the eye.

All city meetings are open to the public. Our council meeting is the third Monday of every month, at 7:00 P.M. here at City Hall. If you have any question or concerns please reach out to a City Council member or myself. Your input assists us in identifying the needs and wants of the residents who live, works or visits here. The feedback is a great way to track what is successful or needs improvements.

Sincerely Mayor Ron Cumberledge
