

Carter Lake Newsletter

Hello,

The City of Omaha's new forced main sewer project on Ave H is in full swing. As the weather permits, this project will run long into summer with some lane restrictions and road closures on the west end of Ave H. We expect no sewer interruption during this process.

The city is working through final plans on our water distribution system project and should go out to bid this spring. The project has split up into two phases. This is a much-needed project to be able to control and maintain our water system.

We are currently looking to fill positions in our Police and Maintenance Departments. These are full-time with great benefits. If you are interested in joining our team, please contact City Hall 712-347-6320.

Keep in mind, the city offers a three-year tax abatement for all new construction citywide. This is a great benefit if you are considering building a new home in town.

City Wide Cleanup is scheduled for Saturday May 4th, I would like to encourage everyone to take some time at the end of April to spruce up your neighborhoods! . Do your part to help clean up Carter Lake!

I want to thank everyone for their input and support on growing our new Community Center. It has been an enormous success! With the direction of Kendra and her team it has had a positive impact on the whole community!

Sincerely, Mayor Ron Cumberledge

\$10 Neutered/Spayed

\$15 Non-Spayed

\$5 late fee if registered after March 1st

Proof of current rabies vaccination is **required** with the registration

TOP REASONS TO LICENSE YOUR ANIMAL:

- It greatly improves your chance of getting your animal back if it goes missing
- It lets police officer know your animal is up to date on its rabies vaccine
- City Ordinance requires dogs and cats be licensed in Carter Lake

RENTAL HOUSING INSPECTION PROGRAM

In 2018, the Carter Lake City Council agreed it was in the best interest of renters to develop a Rental Inspection program and the city has established an ordinance for rental housing inspections in order to establish minimum quality standards for all residential dwellings; to provide for the enforcement of such standards; to establish a program of regular rental inspections; and to protect the health, safety and general welfare of the citizens of the City of Carter Lake, Iowa.

The rental housing inspectors perform random and complaint-based inspections looking for dangerous conditions and violations of compliance with minimum physical standards for residences. There are 175+ units registered with the city. Inspectors normally will perform 12 inspections per month.

All owners of rental property are **required** to register each rental unit with the City. There is ZERO cost for registration. Inspections are free unless a third re-inspection is ordered for landlords failure of 1st and 2nd inspections.

Are you a renter and curious if your home has been inspected in the past? Give the inspection department a call and Shelby will help answer any questions you have concerning the inspection process. **(712)-347-6320.**
