

BLAST BALL DIVISION
(3-4 Year Olds)

1. The emphasis will be on teaching FUNdamental skills and the very basic understanding of the game.
2. Players must be 3 or 4 years old on April 30th of the current year. This is a 'coed' league. There may be any mixture of boys or girls on a team.
3. Teams should consist of not more than 7 players, nor less than 4.
4. This is an instructional league. No official score is kept, and rainouts may not be rescheduled. Metals spikes or cleats are not allowed.
5. Games are 45 minutes in length, including 15-minute practice time prior to each game. There will be (at least) 1 game per week and games will only be played in the month of June.
6. Every child present will be in the batting order and will bat every inning. Each player will receive as many attempts as needed in order to hit a fair ball. Once the ball is hit, the batter will immediately run to first base. When the base runner steps on the base it will 'honk'. The batter will only advance to 3rd base. Once he reaches 3rd, he will then return to the dugout. On-deck batters are not allowed. Base stealing is not allowed nor is leading off.
7. Every child present will be positioned in the outfield. They will position themselves in a single line behind the 'fair ball marker'. When the ball comes across the 'fair ball marker', the defensive players should try to catch or grab the ball. The player who catches or grabs the ball will hold the ball in the air and yell "Blast!" If the batter 'honks' first base before the defense yells 'blast', the batter is safe. If the defense yells 'blast' before the batter honks the base, the batter is out. (Batting through the line-up constitutes one-half inning – not the number of outs). Defensive players do not need to have ball gloves.
8. Offensive coaches can position themselves in the 1st and 3rd base coach's boxes. Defensive coaches can position themselves at least 10' behind their players.
9. Umpires will not be used. Coaches will 'umpire' the game.
10. Registration fee for blast ball includes: Game Day T-Shirt

A coach is allowed in the outfield to help his or her players. After Memorial Day, coaches can begin pitching to kids. If a batter does not get a hit after 3 pitched balls, the coach will bring out the tee to finish the at bat. This will help the transition into coach pitch.

8. After a batted ball is in play, the coach/umpire will call 'time' once the ball is in control in the infield; and runners, if not at the halfway point, will not advance further at the discretion of the umpire/coach.
9. Stealing is allowed (1st through 3rd bases only). Third strike dropped is not in effect. No lead offs.

(When playing games at home, our rules are followed. When games are played away, their rules are usually followed. This is why a coach's meeting is extremely necessary.) When playing at home, a copy of the rules will be available in each dugout.
