

Carter Lake Newsletter

Hello Carter Lake Citizens!!

Summer is here and brings all the outdoor activities with it. Here in the City, we have done our best to make all the parks and walking trails ready for your family enjoyment! We also have our biggest event coming Saturday, July 26. The Annual Parade and Festival this year will start with the parade at 11:00 AM. All programs move to the ball fields with the festival kicking off at noon. At 4:00 PM, Rock the Boot will start and run until dark. Like always, our fireworks will end the night. This is a full day of free events and always an exciting time. Hope to see you there!

A huge thank you goes out to Prairie Flower Casino and the Ponca Tribe for their community partnership over the past six years. This partnership has allowed us to complete many City improvements and projects that would have been exceedingly difficult to achieve. Like all small communities, daily operations have increased, and we have limited resources to use and maintain our city. I would also like to thank our other community partners, the six local hotels, for their commitment to keeping up with the surrounding facilities and making Carter Lake an attractive place to stay while in the downtown area.

Keep in mind, together with all our community partners, this brings in resources that help provide city services and operations.

The senior housing project on 9th street and K street is moving right along in the planning and design process. I will keep you informed on the progress, but it looks like building will begin in 2026.

Our City-wide water system project is right on schedule. Many of the new valves are in place and we can now start controlling many sections of the town in case of an emergency.

We need help in our public works department. This is a full-time position with a great benefit package. If you are interested in joining our team, please contact City Hall at 712-347-6320.

Last month, we had a visit from the mayor of a town in Utah, with 14,000 residents. He could not believe the number of homes and businesses in such a small area and wanted to know what the secret was to be attracting all of this. I told him, it's simple. It's our people.

Sincerely, Mayor Ron Cumberledge

City of Carter Lake
